CONTRACT INFO

Wedding flower consultations are done by appointment only to insure that your Wedding Floral Design Consultant can give you the individual attention you deserve. Many of our brides are from out of town and choose the beauty of our flowers for their destination wedding so planning must be done via phone and email. Your Wedding Floral Design Consultant is also available for phone consultations by appointment.

Our flower professionals offer a 1 hour complimentary consultation to discuss your wedding flower preferences and design ideas. At the end of the consultation, we will provide you with a basic verbal outline of your costs for flowers, rental items (if required), set up and delivery fees.

To book us for your event, we require a \$250.00 non-refundable deposit to secure the date and time for your event. The deposit will be used entirely toward your wedding flower order. The deposit must be made by cash, check or money order. We then provide you a written proposal for the products and services we've outlined. Once all the decisions and consultations have been made regarding the wedding flower order, we require an additional deposit equal to 50% of the total (minus the \$250.00) initial deposit. The balance is due two (2) weeks prior to the event and payment may be made by cash, check or money order. No refunds or cancellations can be made within fourteen (14) days of the event.

Any and all changes after the contract has been signed and approved must be in writing or email to your Wedding Floral Design Consultant, noted on both copies of the contract and initialed by you. Costs resulting from any changes will be credited/debited to the final total of your order.

Our promise to you: You will receive beautiful, fresh, thoughtful flowers and excellent service from Our Floral Designers. We look forward to assisting you in making your wedding day everything you dreamed of and more.
